Dear Tyler,

At Hockey Helps the Homeless (HHTH) we leverage Canada's affinity for hockey to support our country's homeless men, women and children. Over the past 22 years, Hockey Helps the Homeless has grown into the largest funder of homelessness support programs in Canada, holding 15 tournaments across the country every year and raising over \$15M since inception to benefit 45+ homeless support agencies.

We couldn't do what we do without the support of local businesses. Net proceeds raised through the Vancouver Tournament, stay in Vancouver and we maximize our impact by partnering with 10 local homeless organizations that provide Vancouver's homeless of all ages with a place to call home and the supports they need to thrive.

On November 23rd, 2018 Hockey Helps the Homeless hosted the 10th Annual Vancouver Tournament which raised an astounding **\$660,000! A new national record.** We could not have done it without the support of our generous sponsors like BGC Engineering Inc.

We look forward to following up shortly with more information about the types of programs you're helping to fund and how our 10 beneficiaries are making an impact in your community.

On behalf of HHTH HQ and the Local Organizing Committee, thank you and your team at BGC Engineering Inc. for your continued support.

Please know your efforts have truly made a difference in the lives of Vancouver's less fortunate.

Ryan Baillie
